Re: C00295527
Reply to your February 11, 2011 correspondence concerning CU-PVF's
July Monthly Report covering June 1, 2010 – June 30, 2010

Dear Ms. Needles:

I write in reply to your letter dated February 11, 2011, to Kevin Allen, Treasurer of Citizens United Political Victory Fund ("CU-PVF"), requesting additional information regarding CU-PVF's July 2010 Monthly Report, which covers the period June 1, 2010 through June 30, 2010. More specifically, you state that the report is missing contributor identification information for one or more of the contributions disclosed in Schedule A. But while your letter describes the information that is required to be disclosed, it does not identify any particular information that is missing with respect to any of the contributions disclosed in the report. Nevertheless, you request that CU-PVF either (a) file an amended report providing the unidentified missing information or (b) provide a detailed description of CU-PVF's procedures for complying with the Commission's "best efforts" requirements for obtaining the contributor identifier information required to be disclosed.

I have reviewed Schedule A of the Monthly Report and note as follows: (1) in two instances an initial is listed as the first name of a contributor, (2) in four instances "N/A" is listed as the contributor's occupation, and in several other instances "Information Requested" is listed as the employer/occupation of a contributor. CU-PVF is in the process of reviewing its records to determine if it has more complete identity information for any of those contributors. If more complete information is available, CU-PVF will file an amended report providing that information.

In the meantime, CU-PVF's treasurer believes that the procedures CU-PVF has established for obtaining and disclosing the identity of its contributors fully complies with the Commission's "best efforts" requirements. Those procedures are as follows:

First, a request for accurate and complete identification is made at the time of the initial solicitation to a prospective contributor. For written solicitations (e.g.
